Draft Bill to amend the Mysore Police Regulation, 1908.

---

23) The Superintendent of Police, Kolar Gold Fields, brought to the notice of the Inspector General of Police that under section 56(a) of the Mysore Police Regulation, 1908, vehicles which are driven in streets are required to put up lights only when there is not sufficient moon-light, and that this being a matter of pure opinion much inconvenience is felt by the Police in enforcing the provisions of that section. He therefore suggested that the words "except when there is sufficient moon-light to render such light unnecessary" occurring in that section might be deleted. The Inspector General after consulting the Deputy Commissioners has referred the matter for the consideration of the Government.

2. Similar provision was in existence in the Madras Police Act of 1888 upon which our regulation is based and it has been deleted by Act IV of 1905 so that lights are required to be used during all the hours of the night. Further, in Madras lights are required to be put up within half an hour after sun-set, but our Police Regulation makes provision for their being put up within three-quarters of an hour after sun-set. It is proposed to amend our Police Regulation in both these respects and bring it into conformity with the Madras Act IV of 1905.

D 25) 3. The draft amending Bill was considered in Council and the Members are of opinion that it may be approved and placed before the Legislative Council in due course.

Sir,

I have the honour to state that the Superintendent of Police, Kolar Gold Fields, brought to notice that the words "except when there is sufficient moon-light to render such light unnecessary" occurring in section 56[redacted]a) of the Mysore Police Regulations (V of 1908) makes it a matter of pure opinion as to when lights should be used for the vehicles in the streets and when not, and that therefore the work of the Police is very much handicapped. He added that the words in question which existed in the Madras Police Act (III of 1888) were eliminated in the repealed Act of 1905 and that such elimination was necessary in ---- Mysore also. The District Magistrate of Kolar supported the proposal of the District Superintendent of Police, Kolar Gold Fields.

On consultation, all the other Deputy Commissioners, except that of Hassan, who has given no reply yet, have said that the proposed amendment is necessary. In these circumstances, I have the honour to suggest that the section might be amended as proposed.

I have the honour to be,
Sir,

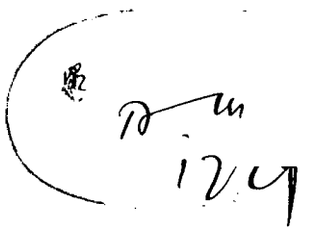
Bill to amend the Mysore Police Regulation, 1908.

Whereas it is expedient to amend the Mysore Police Regulation, 1908, His Highness the Maharaja is pleased to enact as follows :-

Amendment of S.56 (a). In clause (a) of Section 56 of the Regulation for the words "three quarters of an hour" occurring between the words "at any time between" and the words -- " after sunset", the words "half an hour" shall be substituted, and the words "except when there is sufficient moon-light to render such light unnecessary" occurring ~~in~~ at the end of the clause shall be repealed.



Statement of objects and reasons.

28

Under Section 56 (a) of the Mysore Police Regulation, 1908, as it stands at present driving of vehicles during dark nights without lights is made punishable. But exception has been made where there is sufficient moon-light to render such light unnecessary. It is thus made a matter of ~~sure~~ opinion as to when lights should be used and when not.

The Regulation is proposed to be amended, as in the draft Bill annexed hereto, so that the matter will not be left to one's discretion, but lights will be required to be used during nights invariably.

The exception in question which existed in the Madras Act of 1888 has also been eliminated by Act IV of 1905.

It is also proposed to require lights to be put up within half an hour after sunset as in Madras.

NOTIFICATION.

Notification No. 513—L. C., dated 5th April 1921.

Under Rule 31 of the Rules for the conduct of business of the Mysore Legislative Council, the accompanying Bill to amend the Mysore Police Regulation, 1908, is published for general information with the statement of objects and reasons.

By Order,

P. MAHADEVAYYA,

Secretary, Mysore Legislative Council.

Bill to amend the Mysore Police Regulation, 1908.

Whereas it is expedient to amend the Mysore Police Regulation, 1908, His Highness the Maharaja is pleased to enact as follows :—

Amendment of Section 56(*a*).

In clause (*a*) of Section 56 of the Regulation for the words "three quarters of an hour occurring between the words "at any time between" and the words "after sunset", the words "half an hour" shall be substituted, and the words "except when there is sufficient moon-light to render such light unnecessary". occurring at the end of the clause, shall be repealed.

STATEMENT OF OBJECTS AND REASONS.

Under Section 56 (*a*) of the Mysore Police Regulation, 1908, as it stands at present, driving of vehicles during dark nights without lights is made punishable. But exception has been made where there is sufficient moon-light to render such light unnecessary. It is thus made a matter of opinion as to when lights should be used and when not.

The Regulation is proposed to be amended, as in the draft Bill annexed hereto, so that the matter will not be left to one's discretion, but lights will be required to be used during nights invariably.

The exception in question which existed in the Madras Act of 1888 has also been eliminated by Act IV of 1905.

It is also proposed to require lights to be put up within half an hour after sunset as in Madras.
